GENERAL INFORMATION REGARDING ANNUITIES.

Deferred Annuities are issued under two Plans, viz.: Plans 'A' and 'B.' On Plan 'A' it is provided that in case of the death of the annuitant before the annuity begins, the purchase money with compound interest thereon at three per cent per annum will be returned to the legal representatives of the annuitant. On Plan 'B' where the same annuity may be obtained for smaller payments, there would be no return of any portion of the purchase money.

On Plan 'A', 439 contracts have been issued ; and on Plan 'B,' 93.

Payments may be made to the Department direct, or through the postmaster of any Money Order Office, and by him remitted to the Department. The postmaster is allowed a commission of one-third of one per cent on all amounts paid to him. An annuity may be purchased by or for any person between the ages of 5 and 85, but no annuity may be received before the age of 55.

The rights of an Annuitant are not saleable, or transferable, except that the Statute provides that the purchaser of an annuity may have a portion of it (not exceeding one-half) made payable to his wife or to her husband as the case may be. In the case of the purchasers of deferred annuities this is considered to be a most valuable privilege.

A number of employers are in communication with the Department as to a plan by which they may assist their employees in securing annuities, and the following table has been furnished by the Superintendent of Annuities as an example of the cost of an Annuity of \$250, to begin at age 60, to men commencing to pay between the ages of 21 and 50, where the employer assists by a contribution of \$10, on Plan 'B' irrespective of age, and the employee bears a part of the cost on Plan 'A' or 'B' as he may choose. A separate contract would be issued to each man.

EXAMPLES OF THE COST OF AN ANNUITY OF \$250 WHERE EMPLOYER AND EMPLOYEE CO-OPERATE, ANNUITY TO BEGIN AT AGE 60, PAYMENTS TO BE MADE FROM COMMENCING AGE TO AGE 60.

1. Column 1 shows amount of Annuity which a payment by the Employer of \$10 a year from commencing age to age 60 would purchase on Plan 'B', under which Plan there would be no return of any portion of purchase money should Annuitant die before 60.

2. Column 2 shows the amount remaining to be purchased by the Employee to bring Annuity up to \$250.

3. Columns 3 and 4 show the annual rate to be paid on Plan 'A' or 'B' to purchase amount of annuity in column 2. (On Plan 'A' should Annuitant die before 60, all payments made with three per cent compound interest would be returned to the purchaser or his legal representatives.)

DEFERRED ANNUITIES GUARANTEED FOR 10 YEARS BUT PAYABLE
THEREAFTER SO LONG AS ANNUITANT LIVES.

Yearly payments (which may be split up into weekly, monthly, quarterly or half-yearly amounts if desired without additional cost) required for the purchase of a Guaranteed Annuity of \$100 beginning at age 55, 60, 65 or 70. In the event of death at any time before the first payment of Annuity falls due all payments made, with 3 per cent. compound interest, will be refunded to the heirs. In the event of death within the first ten years after the Annuity becomes payable the payments will be continued for the full ten years as the purchaser may direct. If the annuitant survives the 10 years the Annuity will be continued so long as the annuitant lives. The cost of each additional \$100 up to \$600 is at same rate. The Annuity would be paid in instalments of \$25 every three months.

Example : A man aged 20 purchasing a Guaranteed Annuity of \$100 to begin at age 60 would pay in \$11.14 a year for 40 years, or a total of \$445.60.

If he should die at any time before the Annuity fell due, all that he had paid in with 3 per cent. compound interest would be returned to his heirs.

If he should die after the last premium had been paid and just before the Annuity fell due, the Government would return to his wife or heirs the sum of \$865.17.

If he died after receiving one payment of Annuity the Government would pay to his wife or heirs \$25 every three months until the whole of the \$1,000 guaranteed had been paid.

If he survived the 10 years, the \$100 a year, which is the annual income on a deposit of \$3,333.33 $\frac{1}{3}$ in the Post Office Savings Bank, would be paid to himself so long as he might live if he should live to be 100 or over.

TRADE COMMISSIONER SERVICE.

TRANSFERS AND APPOINTMENTS.

The features of the Canadian Trade Commissioner Service during the year were the opening of the new offices at Berlin, Germany, and Auckland, New Zealand. Two minor commercial agency branches in Antigua and St. Kitts were closed.

One transfer and two new appointments were therefore necessary. Mr. W. G. Fischer was transferred from Glasgow to the Berlin office and the vacancy at Glasgow filled by the appointment of Mr. J. T. Lithgow. Upon the death of the late Mr. J. S. Larke, the Dean of the Trade Commissioner Service, the Sydney office was closed and the jurisdiction of Mr. D. H. Ross extended throughout Australia. New Zealand was made a separate district and Mr. W. A. Beddoe selected to take charge of the Auckland office.

The Trade Commissioner Service now comprises 19 Commissioners and 4 Commercial Agents.
